クモリコン 2011

LETTER FROM THE CHAIR

Hello!
Welcome to Kumoricon 2011!

My name is Beau Gentry, and I'm this year's Kumoricon Chairperson.

This year is going to be amazing! We're back at a hotel attendees and staff loved in 2007, and we've expanded to another hotel just down the road, The Red Lion on the Quay. We've got the amazing park across the street from the Hilton, and if it rains (we call it Liquid Sunshine in Oregon ;)), people can hang out in the Gaming area down in the parking garage. (I know that's not super exciting, but can anyone say "Industrial Cosplay Photoshoot"?!)

We've got a schedule packed full of panels, games and events. We've also got some awesome guests and all the other things you'd expect at a convention: cosplay Contest, AMVs, Charity Auction, cosplayers everywhere (seriously...everywhere), and the random entertainment that the attendees bring. Which brings me to you: the attendees. You are the reason we as staff work for this convention. Seeing all of you running around, enjoying something we worked on, is an amazing feeling. Of all the cons I've been to, Kumoricon's attendees are the friendliest, chilliest and "funnest" I've seen. Some cons go all huge and industry-focused, and some cons are small and mostly for hanging out. I feel that Kumoricon has reached a middle ground, small enough to

feel personal and friendly, but big enough to attract attendees and industry guests from all over the country. I love seeing people coming back to Kumoricon year after year, and I've seen some of you literally grow up in this convention over the last nine years.

So to all of you attendees, I say thank you for making this convention what it is, Kumoricon.

KUMORICON POLICIES

These are the policies for Kumoricon Anime Convention. If you have any questions, the staff will be happy to address your concerns.

Badge

Your badge is your pass to event space. Be careful not to leave it in your room, at home, or anywhere other than on your person while you are at the convention. If you don't have your badge, you may have to pay up to the current purchase price to replace it.

When you check in, you will receive a holder for your badge. This is proof that you've checked in and the best way to keep your badge on your person. Keep your badge in its holder and visible at all times. This is the easiest way for the staff to know that you are allowed inside the Convention Space.

The badge you are assigned will vary based on your age. Here are the age breakdown and attendance restrictions:

Child: 12 and under – Can attend the convention except during convention curfew between midnight and 6:00 AM and must be accompanied at all times by a parent or legal guardian paid attendee.

Minor: 13-17 – Can attend the convention except during convention curfew between midnight and 6:00 AM and must have a Parental Permission Form or proof of legal emancipation on file by check-in.

Adult: 18 and over – Can attend the convention.

Some individual convention events may have restricted admission as described in the panel descriptions in the program book.

If you lose your badge, visit the Lost and Found (location designated in the program book) to see if anyone has turned your badge in. If not, you can arrange to print a replacement. If you find a badge, please help out a fellow attendee, and bring that badge to Lost and Found.

Cosplay and Outfits

Costumes and outfits are one of the best parts of anime conventions. Before you put long hours and hard work into your cosplay, be aware that all outfits must cover areas of the body to comply with decency requirements. You will be asked to leave Convention Space if your outfit covers too little of your body or is otherwise deemed inappropriate. Outfits that are tight or sheer enough to expose those parts which should be covered are also prohibited.

In addition to properly covering the body, costumes must comply with venue policies and requirements.

Props and Weapons

A prop is any item that is for display or part of a costume, or a potentially dangerous item, carried or worn by an individual.

No members will be permitted to carry any kind of functional projectile weapon. This includes individuals who possess a weapons permit or concealed weapons permit. Keep them at home. Anyone found in possession of such a weapon will immediately be removed from the convention. Individuals caught in the illegal possession of a functioning projectile weapon will be reported and turned over to the proper authorities. All other items that could be used as a weapon must be peace-tied or peace-bonded.

Obviously harmless props, such as teddy bears, will be waved through. Any other prop deemed safe by the staff may be peace-tied upon review by the staff member. A peace-tie is an indicator attached to your prop which signals to all staff that your item is part of your costume and not unsafe to carry. It also signals that you have agreed to carry your prop safely. This means you will not brandish any prop weapon, engage in any mock fighting, or use your prop in any way which could be seen as unsafe. You will be required to sign an acknowledgement of the requirements of safe-carry.

Peace-bonding will be conducted at the Peace-bonding table next to the Registration area. After hours, please see the Kumoricon Yojimbo Office to obtain a convention-recognized peace-bond. Complete this action before wandering through or around the Convention Space, or you may be required to leave. If you purchased your item at the convention, peace-bonding is required as soon as possible.

All bladed items must be kept in their sheaths at all times in the Convention Space. Weapons should never be waved around in a manner that may be construed as use of the weapon (this is considered brandishing). Gun replica or other replica projectile weapons should not be pointed at anyone at any time. Replica pistols need

to remain in a holster; replica rifles need to be slung.

Brandishing a weapon in the Convention Space, or in nearby spaces such as other public hotel areas or parking lots, may result in immediate removal from the convention. Keep in mind, police will assume all drawn weapons are functional, and will act accordingly. If you are unsure whether your weapon is acceptable in the Convention Space, please ask in the Kumoricon Yojimbo Office or ask at the Info Booth.

Exotic weapons will be dealt with on a case-by-case basis. Do not bring weapons that Kumoricon staff cannot tell are fake from ten feet away.

Certain props are not allowed within the Convention Space. These include, but are not limited to:

- Airsoft or projectile weapons
- Live (sharp enough to cut) steel
- Props wide enough or long enough to inhibit flow of traffic
- Replica weapons that do not comply with state or federal law
- Paddles (all varieties—including “yaoi” or “yuri” paddles)
- Props which impede personal or public safety
- Harassment, Solicitation, and Offensive Behavior

All attendees are expected to treat others in a courteous and respectful manner. Harassment and solicitation are prohibited. This is not only our policy, but the law. Please let the staff know if you are witness to any of the following:

Harassment

- Offensive or rude behavior toward anyone
- Someone doing or saying things with the willful intent to harm another person
- Heckling

Solicitation

- Displaying of signs with profanity, explicit or graphic language, insults, threats, solicitations, or room party advertisements (i.e. “Will hug for Pocky”, “Room Party Info”)
- Distribution of flyers around the Convention Space or attaching them to walls or surfaces is prohibited. Some flyers can be left at the Info

Booth for distribution. Flyers at the Info Booth may be removed at the discretion of Executive Staff.

- Selling of items or favors outside of convention sanctioned events and areas.

Other Offensive and/or Illegal Behavior

- Indecent exposure (see above)
- Impeding the flow of traffic in hallways and especially in fire lanes
- Overly loud or disruptive behavior
- Line jumping or cutting
- Consumption of alcohol in the Convention Space, unless it is within an event officially sanctioned by Kumoricon with permission to serve alcohol from Kumoricon Executive Staff or the hotel
- Fighting (play or real)
- Lewd sexual contact or behavior (groping of the breast or genitalia)
- Any unsafe behavior
- Stealing items from the vendors room

Anyone who engages in any of these activities will be given a warning. If an attendee continues the behavior, or engages in similarly offensive behavior, their badge will be removed, and they will be asked to leave the Convention Space. Egregious or extreme cases may result in a badge removal without a prior warning.

Liability

Kumoricon, its personnel, and its affiliates are not responsible for any damage, theft, injury, or loss. Attendees of the convention are responsible for their own actions as individuals as well as for any resulting repercussions. Staff is on hand for assistance in most situations. However, any civil or medical emergencies that may occur must be handled directly by the appropriate authorities.

Consent to Photography

Any photographs or videos of attendees taken by Kumoricon staff in an official capacity may be used or published by Kumoricon without further consent of the attendees being recorded.

Photography by Attendees

Taking photographs and videos is allowed in most public areas of the

convention. However, specific events, panels, or areas may restrict photography or video-recording. Please respect the wishes of anybody who asks not to be photographed or video-recorded.

Hotel Rules

Convention Space is any area that the convention is using for any official events.

The area of the hotel rooms is outside of official Convention Space. However, the way our attendees treat the property and the staff of the hotel reflects on the convention as a whole. Please be sure to take care of the room you are in. Be aware that there may be guests who are not attendees and persons who may be sleeping in surrounding rooms. Be respectful to the hotel staff and guests.

Appeals

If you feel that you have been given an unfair warning on attire, conduct, or policy infringement, you may submit an appeal in the Operations Office. Any decision then reached by at least two Convention Executive Staff and the staff member who made the original decision will then be final.

Miscellanea

Some events, such as the guest dinner, may require additional payment for admittance.

PORTLAND POLICE BUREAU
**SUNSHINE
DIVISION**
HELPING FAMILIES SINCE 1923

Every year, the Kumoricon community dedicates time, effort, goods, services, and significant funds toward bettering the lives of locals in the vicinity of our con through charitable donations. Our primary fundraiser is our Live Charity Auction, held mid-afternoon on Monday. We are proud to maintain the Sunshine Division as our beneficiary. For 87 years, the Sunshine Division has provided emergency food and clothing to those in need. The Sunshine Division is unique in that its food boxes are available 24/7, at every Portland police precinct, to anyone in need. The Sunshine Division welcomes volunteers, including kids, and maintains a charming, upbeat blog: <http://sunshinedivisionblog.wordpress.com>. Come join the fun, bid on extraordinary prizes (including an amazing quilt with our mascot in 8-bit!), and help give back to the local community. This year also introduces the Silent Auction at the Red Lion!

• Monday, September 5th, 8:30am-4:00pm

(Close-out Hours)

BIDDING

All art work will be displayed with a bid sheet listing a minimum starting bid price and a "Buy it Now" price, each determined at the artist's discretion. Art work marked NFS on the bid sheet is Not For Sale by the artist, and is for display only.

• **BUY IT NOW OPTION**—If the art work does not have any bids attendees can take the "Buy it Now" Option and enter their badge number and the "Buy it Now" Price. The art work will be sold to that attendee at the "Buy it Now" price and will not be available for any more bids.

Please write legibly, and use your full name so we can contact you, if necessary. In the event of dispute over payment, the bid sheet will act as a receipt, provided the signatures of both the artist and the customer, and the amount paid are written on it.

ART PICK UP

If the bidder does not pick up the artwork, and it ends up unclaimed by both the artist and bidder, Kumoricon will pay for shipping the artwork back to the artist. The bidder will be noted in our database as a Delinquent Bidder, and may incur the fee of shipping the artist's artwork the following year when registering for Kumoricon.

SATURDAY NIGHT ELECTRONIC MUSIC DANCE HOSTED BY DISKO WARP

5 local DJ heroes deliver the hottest underground electronic beats in the NW!

LINE-UP

10-11 - Kid Kaboom
11-12 - Initial P
12-1 - Graz
1 - 2 - Jesiah!
2 - 3 - Little Terror

Initial P (Disko Warp / Anime Love Hardcore)

Pete Ellison, aka Initial P, boss and producer of cult favorite hi-nrg record label Disko Warp, likes it cute, fast and hard. Pete has a list of production, songwriting and remix credits as long as his arm: explosive YouTube hits "Oh Oh Oh Sexy Vampire" by Fright Ranger and "Less Than Three" by Becky, penning the comeback single "Doki Doki" for Swedish bubblegum group Smile.dk, remixes for Canadian eurodance duo Melody & Mezzo, and production for Pony Canyon's Japanese CD series Hapikoa*Speed. In 2011, Initial P & Disko Warp are ushering in a new era of hi-nrg sounds with their signature compilation series Speedisko.

Initial P has also been working hard to bridge the gap between electronic music and anime culture. In addition to producing 2010's "Disko Warp Presents Anime Love Hardcore" album of remixed anime themes, he's also a resident DJ at both Portland's Kumoricon and Seattle's Sakura-Con anime conventions. With appearances now lined up at Toronto's Atomic Lollipop and DC's Katsucon, Initial P is on a mission to spread Disko Warp's unique style outside of the northwest.

Graz (Reactionary / Donut Nook / Breakpop)

Rapid-Fire-Amen-Infused-Mashcore Federally Certified to Crush any party, Graz is here to take you to Bootleg Babylon. His glitched out high-speed rave rendition of radio's yesteryear are the perfect blend to get any crowd bobbing. Graz, a Seattle local, has shared the stage with breakcore legends such as: Mochipet and Bong-Ra bringing his unique blend of pop and chop to the masses. Prepare for the true sounds of the plunderground.

Little Terror (Reactionary / Funshine)

Jesiah (Chickenhed)

Raised on the mean streets of Geisenheimenluftenschteinwurst, Jesiah has lived a prolific life of shnitzel pounding and lederhosen de-pantsing. He began appreciating music at the age of 3 and despite popular culture's best efforts, remains a steadfast proponent of even the most trite melodic compositions. This unique perspective on life has given him a singular vision for bangin' 4-bit, electro-geezer tunage that will do no less than blow your mind into a bliss bomb of sonic rapture!

SUNDAY! SUNDAY! SUNDAY! DANCE MUSIC!

DJ Gino Mari

DJ Gino Mari, notorious frontman for Portland Electronic Rock Outfit The Gentry, likes to say he DJs "Eclectica" (meaning everything from synthpop to punk rock to crunk and _____). He does this all over the world in his spare time. From coast to coast he gets the kids sweating. He's taken his records across the pond to Nebula (Lima, Peru's largest nightclub) as well as parties in Florence, Italy and Vancouver, BC. In other words...dude gets around. Gino got his feet wet in Portland, Oregon's industrial goth scene in 1997, DJing everywhere from the infamous Paris Theater to the goth room at The Escape. From there he started his own DJ night at the now defunct PDX staple La Luna. This propelled Mari into the world of party promotion and events like "Continuum", "Sound & Vision" and "Oscillate" (Portland's premier Electroclash Party). During this time Gino was also the resident DJ for Kumoricon Anime Festival/Dance Party. In the years that followed Gino redirected his focus and obsession with music to form his own recording studio (The Country Club) and tour with his band The Gentry (with whom he is currently in the studio with finishing a new record).

DJ DiscoSnake

DJ DiscoSnake (Michael Brillig) has made good parties even better since 2001, using his amazing stage skills, love for lighting and his design portfolio. Equally confident backstage or in the spotlight, his sets are fueled by a passion for gaming and a love of everything geek. Unwilling to stick to any style or genre, he will happily bounce through movie and anime soundtracks, gaming remixes, pop, electronica, swing, house, industrial, one-hit wonders, memes and everything catchy. Brillig has applied his art to hundreds of different shows in the Willamette Valley working under CMD Productions.

Tentacles, Crosses, and Cigarettes: Censorship in Manga

Sun 10:30am - Sun 11:30am – Live Events (Discovery B/C – Hilton)

(Age 18+ only—ID stamp required—see Info Booth)

In 2011, an American was charged with possession of child pornography for bringing dojinshi into Canada on his laptop. In 2010, Christopher Handley, a manga collector in Iowa, was sentenced to six months in prison for possessing obscene manga. In 2009, Dragon Ball was pulled from libraries after a city councilman complained about inappropriate content. Censorship is a fact of life in mainstream manga and anime, both in Japan and America, affecting everything from the “Harem no Jutsu” in Naruto to cigarettes in

One Piece and pot leaves in Shaman King. Why is manga censored, and what do the laws really say about what you can and can't show? Shadowrun: The Belly of the Beast

Sun 11:00pm - Mon 3:00am – RPG (West River I/II & East River II – Red Lion)

Your team has been hired for a very lucrative, as well as very dangerous job. An important dignitary is staying at an executive hotel and the runners have been hired as extra protection for his stay. It is up to the team to keep the dignitary safe for the duration of his visit. Shadowrun is a cyberpunk setting, very similar to the technology level found in Ghost in the Shell. A familiarity with the 4th Edition rules system is encouraged, but not required. Characters will be provided for this session.

Shadowrun: Street Duel

Sat 12:00pm - Sat 3:00pm – RPG (West River I/II & East River II – Red Lion)

Running the shadows is a dangerous line of work; more dangerous are the

underground street fights held in Vancouver. Many have gathered to pit themselves in a grand melee to the death. One person will stand victorious at the end and be rewarded (read: prizes) for their destruction of their foes. Please show up to design your runner (or come with one prepared) and pit him/her against the others.

Your group is a local detective agency that dabbles in the supernatural. A room appears to you inside your agency, a room that you've never seen before, that goes to nowhere, and seems to be impossible, due to it leading where there ought to be a separate room. After studying the room, the group learns basically nothing. They all go to their respective homes, and go to sleep for the night. Then the room calls them. At precisely 6:05 am, they all awaken, only to find themselves in the room. They now have to figure a way out of it, alive.

World of Darkness: The Zoo

Sat 4:00pm - Sat 9:00pm – RPG (West River I/II & East River II – Red Lion)

There's something in the woods. People can't seem to decide what it is. Is it Bigfoot? Is it an escaped ape from the zoo? No one knows, but people are going missing, and no one knows who will be next. The goal is to stop the people from going missing, and to find out where the people that have gone missing are.

LARP GAMING

What is LARP?

LARP, or Live Action Role-Playing takes role-playing games to the next level. Instead of sitting around your table, rolling dice, you dress as your character, act as your character, speak as your character. Think of it as a mesh of role-playing games and drama (theatre, TV, movies, anime, etc.). For the games below, you don't need to know how to act. If you get the general idea of "playing pretend" you have all you need to know. All the rules will be explained to the players at the beginning of games, and a Storyteller (that's the person in charge) will always be available if you have any questions. Costumes are highly encouraged (we'll be dressed up, so should you!).

Are You A Werewolf?

Sat 9:00pm - Sun 12:00am – LARP (Quayside/Portside – Red Lion)

Sun 9:00pm - Mon 12:00am – LARP (Quayside/Portside – Red Lion)

A fun, theatre-styled game for all ages! You're trying to find the werewolves before they take out the village.

Assassins

Sun 11:00am - Sun 2:00pm – LARP (Quayside/Portside – Red Lion)

Mon 12:00pm - Mon 4:00pm – LARP (Quayside/Portside – Red Lion)

You are the Assassin! This is a very fun, extremely interactive game. This is, however, not your typical LARP. In this game, you are given a target to "assassinate" as well as a designation marking you as a target. At the wrap-up for the game, it's time to tally up your "kills" and find the winner.

Boffer Event

Sun 11:00am - Sun 2:00pm – LARP (Riverdeck – Red Lion)

Mon 11:00am - Mon 2:00pm – LARP (Riverdeck – Red Lion)

Need to blow off some steam, or burn some energy? Test your skill in grand melee as well as your tactics in a small group scenario. Combat will be safe and structured. One-on-one, small group, and last man standing scenarios will be played out. Padded weapons will be provided; no outside weapons will be allowed. Waivers will be required to participate, and those under 18 years must have a parent or guardian sign the waiver. (This event is scheduled outdoors and may be canceled in the event of rain.)

Boffer Tourney

Sun 4:30pm - Sun 7:30pm – LARP (Riverdeck – Red Lion)

Want to prove you're the best? We'll provide the weapons, and you provide the skill in a series of one-on-one battles. Waivers will be required to participate, and those under 18 years must have a parent or guardian sign the waiver. (This event is scheduled outdoors and may be canceled in the event of rain.)

Cosplay Crossover: The Floating Vagabond

Sun 4:00pm - Sun 8:00pm – LARP (Quayside/Portside – Red Lion)

You're already dressed up in costume as your favorite character? Then come and play them in this silly, fun live action role-playing game, along with other characters from all over time and space. Granted, that happens a lot at The Floating Vagabond, the odd little bar in the middle of space with the special time/space portal built in. Meet new people, have a drink, and maybe try to find your way home (or just hang out and enjoy!).

Join us in this come-and-go style LARP game where you will prove your magical skills in class, learn new spells, collect chocolate frog cards, and manage as much mischief as you can without being caught!
