● Been working with other directors on some BIG projects (nothing to announce yet, but you’ll see soon!)
● You’re going to see a lot of “not a lot to report” from me until these projects are announced. I am working, just on long-term stuff!
● Wanted to remind people that we have an HR (Human Relationship) department. Please email any concerns to hr@kumoricon.org.
Infrastructure

Director: Ash/Bunny (She/Her)

Kumoricon Twitch mod: FieryAshes - Discord: ashybunny#1767
● Working behind the scenes on some projects and I can’t wait until I can actually talk about it.
● Working with my great team in Infrastructure to keep us all informed and on the same page through these weird and trying times.
● If you are/were on my team and haven’t heard from me, expect to soon.
No cute pictures or gifs for this. Just a super somber and serious slide for a moment. I just want to say, as someone who just lost another person two days ago as well as just in general...

I’m super proud of everyone here. Keep going.

Stay safe, stay healthy, and even if it doesn’t feel like there’s a lot you can do right now - please just keep going and do what you can. No matter what you’re up to, remember to wear a mask and to social distance even when we do get to a point to reopening at various phases in all the many places we may find ourselves.

We need to take care of ourselves and each other.
