# Chair

Brian Mathews [He/Him]

- Helping with DigiKumo Lite.
- Still working on Charity; it's currently slow going.
- Been dealing with a lot of personal issues, so haven't been able to respond to requests as quickly (not all are bad, but definitely stressors).
- Things are about to amp up, and I'm preparing for it!

Regarding the governor's order (yes, we saw it):

- We're still a long way away from con, and a lot can happen.
- That said, we know people will want to prepare and don't want to make any announcements RIGHT before con.
- We hope to have answers for you all in September.
- We've already been making plans on plans on plans, we're going to be watching the next couple of months very carefully and see what we need to keep you all safe. :)

# Infrastructure

Assistant Director: Leon (He/Him)

- Exhibitor applications are still open, but the KumoriMarket team are processing applicants and reaching out as they come in
- Hotels are open and Bunny is working on getting the issues that have arisen taken care of.
- We are continuing to work behind the scenes on making con the best it can be! We look forward to being able to share more of our work with you.

- Infrastructure is hiring for all its sub-departments:
  - Facilities
  - Hotels
  - KumoriMarket
  - IT
  - Office

Good of the Order!  
(email submissions to  
[good.of.the.order@kumoricon.org](mailto:good.of.the.order@kumoricon.org))

**Most staff positions have different roles, but all positions are customer service.**

**At the convention, you are the face that our attendees will remember.**

**Show integrity.** Lead by example. The code of conduct applies to everyone—staff, directors, and not just attendees. Excel in your own adherence to it.

**Be respectful.** Smile. Treat attendees the way you would wish to be treated. Be polite. Be firm, but don't yell.

**Be patient.** Remember that not everyone sees things exactly as you do. Stress, lack of sleep, and excitement can cause a reduction in judgment. Stay calm if you need to repeat yourself and listen to what the other party is saying.

# Help us support DigiKumo Lite!

- This is a fundraising event; we need the help of the community!
