- Charity Auction / Art Show submissions have been open for a bit!
- We're changing our food drive recipient this year to Neighborhood House!
 - You can check them out at <https://nhpdx.org/>

Regarding the state of the world:

- We're still a long way away from con, and a lot can happen.
- That said, we know people will want to prepare and don't want to make any announcements RIGHT before con.
- We hope to have answers for you all in September.
- We've already been making plans on plans on plans, we're going to be watching the next couple of months very carefully and see what we need to keep you all safe. :)

Infrastructure

Bunny (She/Her)

- Infrastructure has a lot to do right now, since they took over IT and KumoriMarket!

Take advantage of Kumoricon's Educational Group Discounted Membership

Kumoricon is happy to announce that we will once again be offering group discounts to nonprofit educational youth groups! These include organizations like school anime clubs, Girl Scouts, Boy Scouts, Boys & Girls Clubs, groups that are a part of a larger nonprofit organization (like a school or church), or other nonprofit organizations working with those that age 18 or under.

Group qualifications are listed at www.kumoricon.org/group-discount. Please don't be afraid to apply even if you are unsure if you qualify. Each group will be evaluated on a case-by-case basis when they apply. Groups must apply by Saturday, October 2, 2021. We will not accept any applications after this deadline or at the door. Group discounts are limited to eligible, qualifying organizations.

Gender awareness

Kumoricon strives to be a welcoming place for individuals of all gender identities. As a part of this, the convention space at the Oregon Convention Center includes a gender neutral restroom, which can be used by anyone.

Choice of restroom is a sensitive decision for an individual. As a staff member, please do not initiate any conversation with an attendee or another staff member about choice of restroom. A person's gender identity may not be apparent from their appearance. If you have concerns about inappropriate behavior, please report it privately to the Operations Office, where a specially trained staff member can follow up.

Also, please do not initiate any conversation with an attendee regarding perceived violations of our clothing and cosplay coverage policy, unless you have been specially trained to do this. Please report concerns to a nearby Yojimbo or the Operations Office. Staff members who have received this training will initiate conversation with the attendee in a sensitive and respectful manner.
