Art and Display Information: This art show is set up as a silent auction, allowing attendees to bid throughout the weekend for artwork, with pickup set up for the final day of the event.

- Artists will **NOT** be allowed to set up their own artwork at the convention. Only Art Show staff are permitted to hang or set up artwork and we ask that if you are dropping your art off in person, that you do not attempt to set up or adjust set ups. If this rule is not followed, we reserve the right to remove your artwork from the show. If you would like to provide a visual of your preferred setup, we will do our best to accommodate it within reason.
- Each artist is allotted a limited amount of wall space for displaying their work, without crowding. Each piece will be displayed with a labeled bid sheet on a table below it, as well as a gallery card with the title, medium, lot #, artist handle, and a QR code to each artist's social media. We ask that you provide the size of an art piece **INCLUDING** the frame when filling out the below form.

*List up to 10 items you wish to exhibit.

Please include description, medium used, and title if not self-explanatory.

All items must be matted, framed, or otherwise suitable for exhibition.

Please include the dimensions (**including frame**) of each piece, as wall space is limited. (Not required for non-framed artwork)

When shipping or dropping off artwork, please include a label on the back of each piece with its title. If your piece includes a glass panel, or is fragile in any way, please keep in mind we do not assume responsibility for items/frames that break. If this is a concern, please use a plexiglass or plastic panel in place of glass in your framed artwork.
