Hello Kumoricon!

Oh boy, time flies, and I am excited to welcome you all to another year at Kumoricon. This marks my first year as Convention Chair for Kumoricon 2026, and there was a time when I was just a little guy with stars in his eyes experiencing his first Kumoricon back in 2009. I was so excited to see all the cool stuff that Kumoricon offered with panels, contests, guests, concerts, and you name it. Such a crazy and wonderful world opened to me and lit a strong passion for anime and Japanese culture as a whole. This became one of my foundational parts of who I am, and not long after attending, I realized that I truly wanted to share that passion with others, thus I began volunteering with the goal of helping bring that passion to you all. This is something that drives not only myself but our many, many volunteers who make Kumoricon what it is today, and it is because of their efforts, alongside all of you that attend, that help Kumoricon grow to be bigger and better than ever, each and every year!

Even this year I am proud to share that excitement and passion with you all through our fully packed schedule of exciting events that we have planned for you – many that you all know and love and a few new things that I hope you find time to explore! While there is so much to share with you guys (quite frankly, too much to list here) I hope you all enjoy this year. So go out there and make new friends, hang out with the old ones, and find that passion like I did back in 2009, be it your first or tenth year with us.

Sincerely,

Steven Garcia (He/Him)
President & Chair

- Attendees under age 18 must present a signed **parent permission and liability release** form at time of entry.
- Attendees under age 18 must leave convention space between the **curfew** hours of 12:00 midnight and 6:00 am. (There is no exception for parent accompaniment.)
- Attendees under age 13 must be **accompanied by a parent or legal guardian** at all times.
- To attend an event marked age 18+, you must have a **hand stamp.** ID will **not** be accepted at the door of the event. To get a hand stamp, please present both your badge and valid government-issued photo ID to the Programming Office. (There is no exception to the hand stamp requirement for parent accompaniment.)

III. Event restrictions

- Please do not line up more than 30 minutes ahead of any event.
- Entry to some convention events and autograph sessions may require either advance sign-up, or a paid ticket. Please see individual event details for full information.
- The Oregon Convention Center prohibits all animals on its campus. This includes therapy or anxiety pets. Only animals trained to provide assistance to an individual with a disability, through a specific action, are allowed. For any official Kumoricon programming held outside the Oregon Convention Center, the policies for the venue where that programming is held apply.

IV. Cosplay, clothing, and coverage

- Our coverage policy is gender-neutral. Costumes or clothing must cover the following: complete groin and buttocks, and approximately 60% of the breast area, including 100% nipple coverage. Coverage may not be sheer or transparent, painted on, or overly form-fitting to the point where it reveals the details of genitalia. Body piercings that reveal details of genitalia through costume or clothing will need to be covered with padding or removed.
- Footwear must be worn which includes a sole covering the bottom of the feet.

- Costume props that may be potentially dangerous, or may appear to be potentially dangerous (even if they aren't), must be **peace-bonded** upon entry to the convention, or upon purchase of the item in KumoriMarket.

Peace-bonding is an agreement to carry your prop safely, and requires signing an acknowledgment of the requirements of safe carry. A staff member will attach a peace-tie to your item which signals to all staff that your item has been reviewed.

Peace-bonding is conducted in indicated locations within convention space. In the late evening hours, peace-bonding will be available in the Operations Office.

V. Harassment and other prohibited behavior

- Harassment, and any behavior that disrupts another person's experience, are prohibited. Disallowed behavior includes unwanted physical contact, threats, heckling or jeering, or any other form of rude, offensive, or disruptive behavior. This policy applies regardless of whether the behavior is aimed at a specific person.
- If another person no longer wishes to speak to or interact with you, you must immediately cease your conversation and interaction with them, and you may not follow them to another area.
- All prohibited behavior applies to any in-person hosted event, public or private, and on any online officially recognized platforms.

If you experience harassment or other unwanted behavior, please visit the Operations Office to discuss or report an incident or concern. We strongly encourage attendees to report an incident as soon as possible after it occurs.

Other prohibited behavior:

- Consumption of alcohol (unless presented as part of an official convention event or inside on-site establishments that sell alcohol), consumption of illegal drugs (including marijuana), smoking or use of e-cigarettes, or intoxication
- Lewd conduct
- Unsafe behavior
- Selling or soliciting items or services
- Distribution of flyers or literature
- Real or play fighting and martial demonstration (unless presented as part of an official conention event and with proper supervision and safety precautions)
- Brandishing, waving around, or pointing prop weapons
  Prop firearms and blades must always stay holstered, slung, or sheathed, except while posing for photos.

The following items are prohibited:

- Functional firearms or ammunition (no exception for concealed carry)
- Functioning projectile weapons, devices, toys, including items meant to be thrown; or paddles
- Swords and props which contain live steel (sharp enough to cut)
- Any prop firearm that does not have a highly visible orange tip, or that for any other reason looks like it could be functional from 10 feet away, even if they are non functioning
- Devices intended to produce vapor or smoke, including but not limited to vape pens, smoke bombs, and fog machines, unless approved as part of an official convention event (prohibition also applies within 25 feet of any building entrance)
- Potentially dangerous props which are not part of a bona fide costume
- Any props or items that inhibit traffic due to their size
- Any signage or clothing containing profanity, explicit or graphic language or imagery, slurs, insults, threats, solicitations, or room party advertisements
- Costumes, props, or items of clothing which are vulgar, obscene, graphic, or sexually themed

Projectile items or replica firearms are allowed only if they are, or have been made, permanently non-functional. “Permanently” means it is not possible to repair or restore the item to functionality. In most cases this means the item must be filled with glue and all moving parts rendered immobile.
We may limit any other offensive, disruptive, or unsafe costumes, props, signs, or clothing in our sole discretion.

VI. Photography restrictions

Be polite with your camera and how you conduct your photography or video recording. Photography and video recording are generally permitted. However:

- It is strictly prohibited to take a photo of any person who asks you not to, or shows by their body language that they do not wish to be photographed.
- It is also prohibited to take a photo if a reasonable person would know the subject(s) would probably not want to be photographed under the circumstances.
- Photography is not allowed in any event where the event host asks you not to, there is a sign prohibiting it, or in viewing rooms, Artist Alley, Small Press, or the Art Show; except with on-the-spot artist permission.

VII. Violations

- All individuals with a membership, including but not limited to, attendees, staff, content providers, vendors, or guests, as well as 3rd parties working with our event, are subject to this code of conduct.
- Any violation of this code of conduct or illegal action may be handled by a warning, temporary convention suspension, permanent membership revocation, or longer ban, in our sole discretion.
- Allowable activity at the convention is at our sole discretion. If an authorized staff member asks you to stop doing something, remove an item, or leave an area, then it has the weight of this code of conduct, even if it’s not printed in this code of conduct.

VIII. Changes

This code of conduct may be changed without notice. **https://www.kumoricon.org/code-of-conduct** will always contain the latest version, and printed copies are available at the convention.

Kumoricon Autographs Information

1. All Autographs are at the Guest's discretion. Guests have the right to refuse to autograph anything or for anyone at their sole discretion. Some guests may have special requests, such as: no photos, requiring masks, only allowing one item to be signed, etc. All limitation requests from the Guest and Autograph Staff must be followed.

2. Guests will have merchandise and prints for sale at their discretion. Please have items ready for signing and payment ready for making a purchase when you are near the front of the Guest's line. Check with the Autographs Manager or the Guest's Liaison to find out if the Guest accepts cash, card, Google/Apple Pay, or some combination thereof. Personal items, unless otherwise specified by a guest, must be official, licensed products (no bootlegs). Fan art may be refused on a case-by-case basis; please confirm with Autographs Staff or the Guest's Liaison.

3. Guests may refuse gifts, photos, or recordings individually or entirely at their discretion. Always ask a Guest's Liaison prior to offering a gift to a Guest.

4. To provide a fair signing opportunity to all attendees, please limit your time with a Guest. If a Guest does not have a line, you may converse with the Guest, but please be mindful of other attendees approaching and other cues the Guest may give to indicate to wrap up the conversation.

5. No touching Guests without permission. Ask first for hugs, handshakes, etc. and respect that a Guest may be sick, tired, or have some other reason for not wanting to give hugs. "No" is a complete sentence. Do not ask the Guest to explain why they do not consent to physical touch. Please be aware that some guests may require masks at their signings. Signage will be posted at the beginning of the Guest's line indicating this if this is the case. Please make sure to have a mask on you, just in case.

6. The following gifts are prohibited: homemade food, opened pre-packaged consumables, or pre-packaged consumables with tampered packaging. All consumable gifts must be pre-packaged with visible seals intact, no exceptions. If you have a consumable gift, you must present your gift to the Guest's Liaison for approval prior to presenting the gift to a Guest. Guests have the right to refuse any and all consumable gifts.

7. Please remember that items to be signed or gifts must follow Kumoricon policies, such as props and weapons. Please review our Code of Conduct if you have questions about if your item would be allowed.
